## Exploits of a single man and his single-minded pursuit of hot pussy

# The Horny Wives Club

I'm the kind of guy who's ready and willing to lend a helping hand, especially when it's squeezed between two tight thighs. But I never thought I'd use my stiff cock to satisfy the wives of my friends. That's what happened. It all started with Debbie.

Debbie's a busty blonde in her mid-twenties. She's a school teacher, and for the longest time I dreamed of sitting in front of her class. Whenever I talked with her, sexy she had a way of thrusting her big tits my way.

Her husband and I go way back. When I started pumping gas, he went on to college. He did fine for himself, but sitting on his ass all day made him look 10 years older.

Steve and Debbie invited everybody to a barbeque one hot night. All my married friends were there. Being single, I felt like an outsider in a way. But those married women wanted me for their personal insider. Debbie wasted no time.

When I was leaving she grabbed me for a good night kiss. And I mean a kiss. She had had a few drinks and she pushed her hot tongue deep into my mouth, pressing her big tits against my chest at the same time.

"Sorry, Ted," she apologized, a little embarrassed. "I don't know what came over me."

"Relax. We're friends, remember?" I figured it would end there, but it didn't. A few days later Debbie appeared at my door. I asked where Steve was.

"He's home watching the ballgame," she said.

I spent a long moment breathing in her raw beauty. Debbie wore skintight jeans and a silk blouse, which was tied in a knot below her tits. The peek I got of her tan tummy made me hard.

"Could I talk to you?" she asked softly.

We had a drink and she got to the point in a hurry: "Steve's losing interest."

"Another woman?"

"No." She lit a cigarette and slowly blew out the smoke, teasing me with her heavily coated lips. "It's his fucking job."

"But he's got it made."

"Exactly. Plenty of money. But it's wearing him out. He's getting out of shape and losing interest in me."

She was in high gear and I wasn't about to stop her. "Our men should take a cue from you, Ted. I couldn't keep my eyes off you the other night."

"Hey, Debbie, you're giving me a swollen head." She'd already given me a swollen dick and I was dying to fuck her. I promised to talk to her husband and maybe take him to the handball courts one day.

"There's something else, Ted. Can I ask you for a favor?"

"Sure. What?"

"You," she whispered.

She stood up and slowly untied her blouse. Her mammoth tits popped out and she cupped them, pointing her hard brown nipples at me. I pulled her close and drove my face between her milky boobs.

She begged me to fuck her. In seconds she was on her knees and clawing at my pants.

It wasn't long before my throbbing cock was in her hot mouth. Digging her fingers into my ass, she guided my dick between her thick lips and slid her wet tongue up and down my thick shaft. Debbie was sucking and slurping away on my knob. She cupped my hairy balls in her lips and gently squeezed them. When I felt myself coming, I steadied her shoulders and started really pumping. Her hot suction urged me in deeper until I climaxed and shot a steady load down her throat.

She wasted no time getting me hard again. "Fuck me, Ted" she cried. "Hard!"

Her pussy was welcoming and wet, enabling me to slide in easily and effortlessly. She wrapped her legs tightly around my waist and rammed her cunt hard against my pumping groin. Screaming and crying, Debbie became an animal in heat, stopping short of nothing less than total fulfillment.

Sadly, we never fucked again. Not that I didn't want to, but I become pretty busy in the following weeks. Debbie not only spread her legs, but also the word that my cock was available.

Patty and Tom, who are friends of mine, have been married five years and have always seemed happy. Then they invited me to dinner one night.

I eagerly accepted. So many of my married friends think a single guy will starve to death. The truth of the matter is, the wives are starved for dick.

Tom owns a deli and does okay financially. His long hours, 7 in the morning to 9 at night wear him out. The night I went over for dinner Tom started dozing at 10pm, but his wife was a ball of energy and one hell of a cocktease. She and I are tight friends, and I picked up on her sex signals.

Patty wore a short skirt and at one point she lifted a bare foot atop the coffee table. I thought I'd drop my drink at the free show. She wore no panties and my eyes were riveted to her matted mound of curly cunt hair. She smiled at my hot attention.

Poor Tom woke up at one point to announce he

was going to bed. I was about to leave, but Patty had other plans. "C'mon, Ted, have one more drink. We're having such a good conversation," she said.

"All right, but make it a quickie."

"A quickie?" she teased, sauntering by me toward the kitchen. Tom tumbled up the stairs and to bed. The poor guy was out for the count. When Patty returned she insisted I join her on the couch. I glanced toward the stairs and she motioned to me

that Tom was a sound sleeper.

Patty's the type of wife who toys with danger. A lot of people are like caught up in it all; I might have thought twice about fucking his wife. But as the blood rushed to my swelling cock, I was driven by mad desire. I was soon thrusting and pumping into her wet and willing snatch, only stopping once I drained my juice into her.

"We'll have to do it again sometime," Patty said as I was leaving. "But under much different circumstances."

She got off on a kinky trip with danger involved.

Suddenly I had become a surrogate cock, filling wives' desires as well as their cunts. If they weren't annoyed with their men for some reason, or flirting with danger like Patty, some of them were simply out for a wild time.

That's how it was with Joan, an uninhibited nymph I have known for a long time. Her husband, Ray, once told me how she always wiped him out.

He's in his early forties and his 27-year-old wife has the energy of a young girl. That's how he describes her. His assessment is one hundred percent correct.

"Consider yourself lucky," I told him one morning at the gas station, where he dropped off his wife's car for service.

He laughed. "Lucky? My dick feels like chopped meat!"

He told me his wife would stop by later in the day for the car. With a thin figure and flaming red hair, she looks like a fashion model. Her tits aren't enormous; they're nice and firm and she can easily get by without a bra. I handed her the car keys and she asked coyly, "Aren't you going to road-test it?"

I cleared it with the boss and in a short time we were speeding along a deserted back road. "So when are you going to marry and settle down, Ted?" she asked.

"I thought of that, but there are so many complications," I answered. "I don't want an emotional involvement. I don't know. I may get married, but that doesn't mean settling down. What do you want, then?" I asked.

Moving her hand between her legs, she smiled and replied, "A good, hard cock now and then." I knew what was coming down the pike. "Ray's fine. A good husband and father, but he's so much older, Ted. He can't seem to match my pace."

I was already thinking of the woods around the bend. Joan slid close, pressing her warm thigh against my leg. "Some women have affairs," I said.

Without a word she raised her skirt and spread her thin legs. Her beautiful pussy was wet and syrupy. Patty slid her hands between her thighs and rammed her fingers up her cunt. "That feels good," she murmured. She looked into my eyes and said, "But my fingers aren't as nice as your tongue. Want to eat me, Ted?"

I soon found her throbbing red lips and caressed them slowly but steadily, taking my cue from her. I went at it for a while until my jaw hurt. The whole time I was eating her, Patty guided her juicy slit to my mouth like an animal in heat. By the time I turned off the engine, Joan already had my cock in her hand.

I pushed back the seat to give her more room. But she didn't need much. I had the distinct impression she was accustomed to blowing and fucking guys in cars. She sucked my dick so hard I winced. I finally understood what Ray meant about her ceaseless energy. She pulled on the purple helmet of my dick, urging me to shower her face and mouth with cum. When I did she swallowed it all as if she thrived on the stuff.

"Like my ass?" she teased, sliding out of her shorts.

"Yes," I replied. I always admired it.

She got up on the seat on all fours. "Fuck me there. Fuck me with your hard cock!"

Her hot white ass cheeks first received my lips and tongue. Her asshole was a beautiful sight. I gently tickled her warm crack with my fingers and she thrust her buttocks into my face. "Do it with your tongue!" she urged. I readily complied.

"Now your cock!" she insisted. "Your cock!"

I grasped my hard shaft and gently touched her dripping hole with the tip of my dick. When I wedged it inside, Joan began pounding her ass real hard against my groin. The car rocked like crazy. Finally, by the time I made it home that night, my balls ached. I collapsed on the bed and slept for hours, until I was awakened by the phone. I hesitated to answer; it had to be one of the horny wives. I'd bet on that.

But I needed a rest and had to recuperate, I told myself. I kept telling myself that as I reached for the phone...

# A razor leads the way for a tongue gay blade

“Ooh, la, la!” my friend Cassie said as I stepped out of the dressing room modeling the latest in barely there swimwear fashion. I felt practically naked in the glaring light of the department store, but I dutifully twirled around, showing Cassie the suit from all angles.

She’d agreed to come with me on this last-ditch shopping expedition—my husband and I were leaving on a cruise to the Bahamas the next day—and the only thing left on my list was a swimsuit. The little red number I was wearing looked like it just might fit the bill.

“That suit is definitely you,” Cassie said appreciatively as I posed. I had to admit, the top showed off my tits and the bottom hugged my ass tight before angling into a sexy and revealing triangle that barely covered my mound. The only negative thing I could think of, as I checked myself out in the mirror, was that I was definitely going to spend the evening doing an intense bikini wax.

Cassie, noticing the same thing, had a different idea.

“You need a shave, girlfriend!” she said, laughing at the stubbly hair bustin’ out all around the edges of the fabric as she followed me back to the dressing room. She picked up the tiny red thing, admiring it as I got dressed. “There is no way you can wear something like this and not be all the way naked underneath.”

I had to admit she had a point.

“It’s not hard to do,”

Cassie went on, answering my next question before I had a chance to ask it. “And Bill would love it,” she added with a wink as we headed out to pay for the suit. “Want me to show you how?”

I shrugged, not sure how I felt about having Cassie show me the finer points of pussy-shaving. But then I thought about what Bill’s face would look like when he discovered his wife’s newly naked pussy.

“Okay,” I said, with a shrug, as we walked to the parking lot. “Why not?!”

By the time we’d got to her place and she’d told me to strip, I wasn’t feeling quite so confident anymore. I mean, even though we’re best friends, Cassie had sure never seen my pussy. I’ve known she was bi since we were both in high school, but we’ve never had that kind of relationship.

But I tried to act nonchalant as I took off everything but my tank top and sat down on the toilet. Cassie handed me a pair of scissors and told me to start clipping.

“You need to cut all the hair really short,” she advised as I fumbled with the scissors.

But it wasn’t as easy as I’d thought it was going to be. It was hard to see what I was doing, and when I bent over to get a better look, I couldn’t figure out how to hold the damn scissors and still manage to cut any hair. Plus, I have to admit I was a little nervous about cutting myself. It didn’t help that after about five minutes of struggling Cassie was laughing at me.

“You are hopeless!”

she said, grabbing the scissors from my fingers. "Here, let me do it."

Acting like it was no big deal, she got down on the floor in front of me. Her eyes level with my hairy pussy, she pushed my thighs apart and started trimming.

The first touch of the cool blades against my sensitive skin was enough to give me goosebumps. Well, it was either from that or from the touch of her fingers on my fat lips as she deftly snipped the curly locks. Sliding one long blade through

the crease at the center of my mound, she tugged on the now-short hairs, opening me up so that she could trim the thick thatch that guarded my clit. With a bit of a shock, I realized that I was rather enjoying her touch, her fingers gentle and yet so sure as she clipped away.

All of a sudden I realized that my pussy, usually so well behaved, was starting to drip a little as Cassie worked. And I couldn't help but notice the tingling in my clit as her fingers idly grazed the sensitive nub. Looking down at Cassie's bent head, I also couldn't help but see that her blouse was slightly open and that I had a clear view of most of her soft and round bra-less left tit. I could see the plump curve where it seemed to caress her shirt. Moving my head a little, I caught a glimpse of her erect nipple, poking its pointy tip into the fabric of her blouse.

"Like it?" she asked suddenly, pulling me from my reverie with a start. I blushed, thinking she'd caught me staring down her blouse, and began to stammer out an excuse, but then I realized she was pointing to my newly butched pussy.

"Ack!" I shrieked, forgetting my embarrassment as I looked at the stubble that covered my mound.

Cassie laughed. "Come on," she said, standing up. "We'll finish up in the shower."

Before I knew it, she'd reached down and pulled my tank top over my head, her fingers lightly grazing my breasts as she pulled the thin cotton over my head. My nipples hardened instantly at her touch, and she stared at my goose-bumped flesh for a moment before taking my hand and leading me to the tub.

The water was warm on my back as, without any hesitation, Cassie once again sat

herself down in front of me, shaving cream and razor in hand. She didn't say a word as she began to apply the silky cream to my stubbled lips, but I suddenly felt an electric tension between us. Her touch, so professional just a moment before, now felt amazingly like a lover's caress. Her fingers traced their way leisurely over my mound and into the crease where it met my thigh, probing gently. And then she was spreading the soft cream lower, toward my moist slit, and I found that I was holding my breath. When her fingers finally touched the wet and swollen opening to my pussy, I sighed in pleasure, and Cassie looked at me then, her eyes knowing.

Still she said nothing as she began to stroke the razor over my creamy white mound. Her face only inches from my pussy, she expertly slid the sharp blade over my sensitive skin. Her fingers manipulated the thick flesh as the water poured over me and trickled down between my legs to mingle with my dribbling pussy-juice. I closed my eyes and enjoyed her touch.

It was a firm and unmistakable touch on my very sensitive clit that made me start suddenly. I looked down to see my very clean-shaven pussy, rinsed of shaving cream and completely bare. I

also saw Cassie's thumb gently rubbing the place where the naked lips met.

She was looking up at me again, her eyes a question this time. Forgetting that I'd ever had second thoughts about being with her, I gave myself over to her ministrations without any hesitation, pressing myself against her lightly probing thumb with a moan.

Taking my cue as the invitation that it was, Cassie reached her tongue out to my quivering clit. I gasped at the first touch of flesh on flesh, and her thumbs began to massage my slick lips as her tongue tickled my sensitive nub. I braced myself on the tiled walls of the shower as her tongue began to rapidly flick at my swollen clit. Her mouth, softer than any guy's, instantly found my sweet spot, expertly manipulating my swollen nub until I groaned.

Warm water continued to cascade down my back and into the crack of my asshole before dripping down to mingle with the growing wetness of my pussy. Cassie's tongue, leaving my quivering clit for a moment, dipped down into the waterfall and plunged her way deep into my pussy. She used her mouth to suckle at my wet hole, drinking in my juices along with the warm water before drawing her tongue up to flutter against my rapidly swelling clit. Her lips, so incredibly soft against the raw nakedness of my pussy, caressed my mound as her tongue worked its magic.

Her expert touch, soft one moment, probing the next, was almost more than I could bear; I could feel the pressure begin to build deep inside me. I groaned when her tongue was replaced by her fingers, pressing deeply into my willing pussy. Her tongue was driving me now, flicking hard at my swollen nub as her fingers began to slowly fuck

me, in and out.

"Oh, god, Cassie," I moaned as my clit began to swell under her tongue, quivering almost uncontrollably under her ministrations. She fucked me harder then, pumping my hole with her fingers as her tongue flicked wildly back and forth on my clit.

With a cry, I arched myself into her as I exploded under her rapidly moving tongue. I pressed my vibrating nub deeper into her mouth, and my pussy clenched around her pistoning fin-

gers, squeezing hard as my orgasm overtook me. Cassie continued to manhandle my clit as the fiery pleasure that started in my pussy spread rapidly through my entire body, leaving a warm flush of satisfaction as it passed.

By the time the waves had stopped and Cassie had begun to trail her wet tongue upward, toward my bellybutton and onto the moist flesh of my tits, my whole body was aglow. She took my wet nipples deep into her mouth and suckled, and I felt a lightning bolt of pleasure from my stiff nips to my still-quivering clit. Then her mouth was hard on mine, and that only served to inflame me more, especially as she pressed herself against me, her slick tits mashing into mine, her bare mound caressing my newly shaved flesh.

I tasted my own desire in Cassie's urgent mouth. The intensity of her unquenched lust inspired me, and I kissed her hard, forcing my tongue deep into her mouth as the thick nubs of her nipples pressed against the sensitive flesh of my breast. She began to grind herself against me, her smooth-skinned pussy soft against my own. I could feel her hard little clitty pressing against mine, and suddenly I knew that I wanted to get Cassie off the same way she'd done me. Even though I'd never considered

doing it with a woman, I knew now that I wanted nothing more than to eat Cassie out.

“Let me lick your pussy, Cassie,” I said breathlessly, pulling away from our intense embrace. Without a word, Cassie turned off the water and led us, still dripping, onto her bed. Obviously horny, she wasted no time spreading her legs wide, and pulling apart her pussy-lips to expose her fat pink clit to my admiring eyes. Her slippery flesh looked far prettier than I’d imagined, but what was really turning me on at that moment was her scent. Cassie’s wide open and just-showered pussy exuded a clean and fresh, yet still musky smell, that could only be described as raw sex.

Without hesitation I dived in, determined to do her as well as she’d done me.

“Oh, yeah, baby,” she murmured as I mimicked the technique she’d used on me, tickling her hard little clitty with my tongue. Her skin was soft and wet and slightly salty, and I flicked at the excited little nub before trailing my tongue down her wet folds. I opened my mouth wide and plunged my way deep into her sopping wet pussy, and she moaned, spreading her legs wider. Thus inspired, I began to fuck her wet hole with my probing tongue until she was squirming under me.

Her fingers still tugged at her fleshy lips, opening herself for me, and I moved upward again, my tongue wet and creamy with her juices. Taking her little nub in my mouth, I began to flick my tongue back and forth, dragging it rapidly across Cassie’s swollen nub.

“Oh, god, yes!” she said hoarsely as I tickled the opening of her pussy with my fingers. She pressed forward, asking for more, and I plunged three fingers deep into her sopping wet hole, in-

creasing the pressure on her nub at the same time. Her scent filled my nostrils as I picked up the pace, diddling her quivering clit and fucking her juicy pussy until she finally bucked up against my face.

Incoherent now, she cried out as my tongue fluttered, and I could feel the spasms of her clit as she came hard into my mouth. Her pussy squeezed my fingers as she arched herself into me, taking everything I was giving her. Girl juice gushing, she pressed her quivering mound hard against

my face, and I kept licking her till her quivering had quieted and she’d collapsed back onto the bed.

“I didn’t know you knew how to do that!” she said, gasping, when she could finally talk.

“Me neither,” I said, feeling a little shy.

But not for long. I soon realized that, far from being satiated, I was even more on fire than before; luckily, Cassie seemed to be feeling the same way. It wasn’t long before we’d licked and sucked and dildoeed each other to another couple of orgasms apiece.

‘Course, then I remembered that I was supposed to have been home early to cook dinner for my husband.

Luckily, after he discovered his little pussy surprise, he wasn’t hungry for food any more. Matter of fact, after he’d lapped up his dinner out of my pussy, he asked me if I’d keep it naked like that all the time. I said yes, and I’m sure glad I did because Cassie’s still the one doing the shaving. And after she shaves me bare, she spends plenty of time licking me clean. Then, of course, I return the favor, shaving her first, then probing her tight little pussy with my tongue, wiggling it just right till I make her come all over my face.

Cassie and I are even better friends nowadays!

*Obviously horny, she wasted no time spreading her legs wide, and pulling apart her pussy-lips to expose her fat pink clit to my admiring eyes.*
